

Dated 10th July 2025

Dear Parents/Carers,

Caterlink are proud to work in partnership with your School in providing pupils with nutritious and balanced meals from our three-week menu cycle offering a selection of daily choices.

As we reach the end of this term, we would like to thank you for your custom and hope that your child has enjoyed their meals.

We have seen many challenges over the last year due to ongoing food inflation costs and NI and NLW increase and where possible, Caterlink has managed the additional costs. However, with supplier price increases from September we are in the position to need to apply an increase to the school meals we provide.

Therefore, from September 25 we can provide your child with a hot and nutritious main meal, dessert, salad bar and drink from our hydration station for the price of £2.75 per day, £13.75 per week.

I fully understand these types of communication are never welcome, however, I hope you understand this decision has not been taken lightly but is a necessity within the current climate.

We hope that you have a restful summer break, and we look forward to welcoming all pupils back to school in September.

Yours sincerely

Alison Martin

Operations Director
