

Our Shrinking Planet

Weekly expectations:

Reading - 3 times a week

Practise weekly spellings on EdShed

TT Rockstars (remember - Y4 multiplication check in June!)

Y4 - [Year 4, Key Stage 2, Practice Times Tables Tests \(Multiplication Tables Check\) \(talkingtimestables.uk\)](#) Complete practice times tables checks

Homework: choose up to 3 pieces of work to complete this half term, this is not an exhaustive list - you may choose to do something different. Any work should be handed in to your class teacher by **Friday 22nd May**

English (reading/writing)

- Make a leaflet explaining the effects of climate change on our planet.
- Create an acrostic poem linked to climate change - this could be using the word pollution, global warming, environment etc.
- Use websites such as [What is climate change? - KS2 - The Regenerators - BBC Bitesize](#) to read about climate change.
- Write a diary entry about any event - this could be one from the past as we will be writing diary entries in English this half term.
- Our core value focus this half term is **joy**. Write about something that brings you joy!

Wider Curriculum

- Create a poster with ideas to help reduce climate change e.g. turning off lights.
- Make a rock painting with a message about the environment.
- Learn the three different types of rock and see if you can find examples to share (this could include learning rock names from Minecraft).
- Learn the numbers one to ten in Spanish.
- Create a piece of artwork based on the Christian Trinity.
- Find out some interesting facts about bees and share them with the class.
- Use TTRockstars to work towards turning your heatmap green!
