East Ravendale CE Primary School

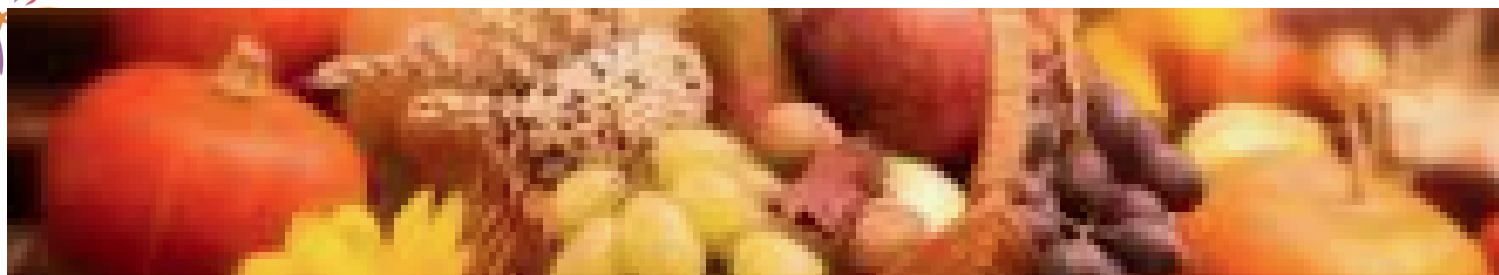

Newsletter

Dear God,

Thank you for the food we eat, the farmers who grow it, and the beauty of your creation. Help us to be thankful for all we have and to share your blessings with those in need.

Amen. 🍁🌾🙏

Harvest generosity

We were blown away by the generosity of our families' Harvest donations. We were delighted to deliver the food donations to Harbour Place, who were extremely grateful for your kindness and support.

Thank you to everyone who donated and helped make a difference. 🌾🍁💛

Today is Mrs Jackson's last day with us before she starts her maternity leave. Mrs Jackson will be greatly missed by staff, children, and families, but we look forward to hearing her news and welcoming her back to school after her maternity leave. We send our very best wishes to Mr and Mrs Jackson and Willow as they begin this exciting new chapter. 💕👶🌸

I'm looking forward to joining Hedgehog Class on Tuesday for their Autumn Walk. It should be lots of fun exploring the signs of autumn together.

Don't forget your wellies! 🍁👢😊

On World Mental Health Day, we would like to share some photos of our newly appointed Kindness Heroes during their training with Sarah from Compass GO. They explored the skills needed to be a Kindness Hero and took part in role-play activities using CATS to help them think about ways to support others. Sarah was hugely impressed with their enthusiasm, kindness, and teamwork, and said they are a fantastic group of children who are ready to help others and make a positive difference around school. 🧡😊🐾

Parents' Evening and Book Fair

Parents' Evening is on Tuesday 13th and Wednesday 14th October. If you haven't already done so, please message via MCAS to arrange an appointment. We'll also have a Book Fair, plus tea and coffee available in the hall. We look forward to seeing you there! 📚☕😊

Rhubarb Theatre Company Visit

We are excited to let parents know that Rhubarb Theatre Company will be visiting school on 12th November as part of their Collection Day Eco Project.

The whole school will enjoy an interactive performance, followed by a question-and-answer session with the performers. In addition, Rabbits class will take part in a special eco-themed workshop, either through an interactive story session or a creative activity using natural and recycled materials.
