

East Ravendale CE Primary School

Newsletter

As we come to the end of a successful term, let us be proud of all we have achieved together. We have worked hard, learned lots and supported one another along the way. Now is a time to rest, enjoy special moments with our families and recharge for the weeks ahead. As we look forward to next term, may we return refreshed, eager and excited for the new opportunities, challenges and successes it will bring.

Amen.

Firstly, I would like to thank all those parents who have taken the time to complete our Parent Voice questionnaire. The responses received so far have been overwhelmingly positive, and I cannot thank our families enough for their continued support.

These annual questionnaires are a valuable tool in helping us move the school forward. Alongside parent feedback, we also gather the views of our children and staff. We then look for patterns, celebrate successes and identify next steps to help us continue improving our school.

If you have not yet completed the questionnaire, I would be extremely grateful if you could follow the link shared in a previous MCAS message or scan the QR code. On average, it takes just two minutes to complete, and I genuinely value your views and feedback.

I would like to warmly welcome Mrs Gemma Johnson to East Ravendale. Mrs Johnson is an experienced teacher who is passionate about helping every child thrive and reach their full potential.

After half term, Mrs Stamp will continue to teach Rabbits Class from Monday to Wednesday, while Mrs Johnson will teach on Thursdays and Fridays. I am sure they will make a fantastic team and provide excellent continuity for the children.

I am delighted that Mrs Johnson will be in school alongside Mrs Stamp on Monday 2nd November to meet and get to know the children. We would also like to invite parents of children in Rabbits Class to join us in the classroom at 2.30pm to meet Mrs Johnson and give her a warm East Ravendale welcome.

Class 1 and 2 Playtime Fruit and Vegetables

Children in Class 1 and Class 2 are provided with free fruit and vegetables each day at playtime. We encourage children to eat these healthy snacks rather than cereal bars or other snacks from their packed lunch.

Please also ensure that any fruit or vegetables sent into school, such as grapes or cherry tomatoes, are cut into appropriate pieces, in line with current safety guidance.

Thank you for your support. 🍎 🥕 🍇

Dates for the Diary

Tuesday 10th November	Diwali workshop for each class, led by Mrs Green - History Workshops – Class 2: The Great Fire of London - Class 3: Anglo-Saxons - Class 4: Crime and Punishment
