Dear God,
Thank you for giving us the courage to try our best, even when things feel hard.
Help us to be resilient when we face challenges and to keep going when we feel tired or unsure.
Remind us that doing our best is enough, and that we are never alone.
Amen.

Celebrating our achievements.

Well done to all our pupils who received the star of the week and values in action certificate and thank you for sharing your successes from home.

PGL

It was a pleasure to accompany Year 3 and 4 to PGL this week. The children were a real credit to our school and their families, with their manners and behaviour praised by the PGL staff throughout the visit. I witnessed resilience, perseverance, teamwork and strength from every single pupil, which made me incredibly proud. Each and every child made it such a special couple of days, from the way they supported and encouraged one another to their humour and determination. I would also like to thank Mrs Woaden and Mrs Hewson for organising the trip and making it all happen, and Mrs Jackson for being such amazing support while we were there. There will be photos to view on our school website soon.

JUL 17 Important Reminder for Families

Please remember to check the school website regularly for the latest class information, updates, and notices.

Our school calendar is also kept up to date with forthcoming events, key dates, and activities, so we encourage families to review it often to stay informed.
