Welcome back to a new school year at East Ravendale!

I hope you all enjoyed a happy and restful summer, and I would like to give a special welcome to the new children and families joining our school community.

We are delighted to have you with us.

The year has started beautifully, and it has been wonderful to see our school filled with smiling faces, enthusiasm and a real love of learning. Both children and staff have returned refreshed and ready for another successful year together.

Please remember to keep up to date by visiting our website at [www.eastravendale.co.uk](http://www.eastravendale.co.uk), following our Facebook page, and checking the MCAS app regularly for letters, messages and important updates.

A huge congratulations to Laura Tilson, our School Cook, who has achieved a 5-Star Food Hygiene Rating following an inspection this week.

# Allergen Awareness

At East Ravendale, the safety and wellbeing of every child is our top priority. We are an allergy-aware school and ask all families to support us by not sending foods containing common allergens into school.

The 14 recognised allergens are: milk, eggs, fish, crustaceans (e.g. prawns), molluscs, peanuts, tree nuts, sesame, soya, cereals containing gluten (wheat, barley, rye and oats), celery, mustard, lupin, and sulphur dioxide/sulphites.

Following the introduction of Benedict's Law, on September 1st, schools are strengthening allergy safety measures, including having spare adrenaline auto-injectors (adrenaline pens) available for use in an emergency. We now have adrenaline pens in school, and all staff have received comprehensive allergy awareness and adrenaline pen training.

If your child has an allergy, intolerance, or receives a new diagnosis, please let the school office know as soon as possible so that we can keep our records up to date and ensure the right support is in place.

Thank you for helping us keep all of our children safe

## ☀ Friends of School ☀

Our Friends of School group is made up of parents and carers who generously give their time to raise funds and organise special events, treats and memorable experiences for our children throughout the year. We are always looking for new members and would love to welcome anyone who can spare a little time to help. Whether you can offer support regularly or just occasionally, every contribution is greatly appreciated.

 **First Meeting of the Year**

**Thursday 17th September**

 **2.30pm**

This meeting will focus on planning events and activities for the year ahead. It would be wonderful to see as many people there as possible. If you would like to get involved, please come along or contact the school office for more information.

Together, we can make a real difference for our children!
